Subject: *Let's Talk Cannabis Reform — Your Gwinnett Neighbors Want a Conversation*

Dear Honorable Mayors, City Council Members, and Gwinnett County Leaders,

I hope you're doing well and having a good week. My name is [Your Name], and I'm reaching out as both a Gwinnett County resident and a member of Peachtree NORML because I genuinely believe it's time for our community to have an honest conversation about cannabis reform.

More and more people here in Gwinnett — from veterans and patients to parents, professionals, and small business owners — are realizing that the current approach to cannabis just isn't working the way many hoped it would. Too many people are still facing lasting consequences over small amounts of weed, while other cities and counties are moving toward smarter, more practical policies.

Atlanta has already taken steps toward decriminalization, and we've seen that it didn't create chaos. Instead, it helped law enforcement focus on more serious issues and prevented people from having their lives disrupted over simple possession. Gwinnett deserves the opportunity to explore those same benefits in a thoughtful and responsible way.

This is also about economic opportunity. Legal cannabis reform could help bring new jobs, small businesses, tourism, and tax revenue into our communities. Gwinnett is one of the fastest-growing and most diverse counties in Georgia, and many residents feel we should be part of shaping the future instead of falling behind it.

Most importantly, this issue affects real people. Current enforcement policies continue to impact communities of color and low-income residents the hardest, often creating barriers to housing, employment, and education over minor offenses. Whether someone supports legalization or not, I think we can all agree that people deserve fairness and second chances.

We'd truly love the chance to talk with you in person and hear your thoughts. Peachtree NORML would be honored to have you join us at one of our upcoming Gwinnett chapter meetings:

- **North Gwinnett Chapter Meeting — Saturday, June 28th at 4:20 PM at The Twisted Oar in Buford**
- **South Gwinnett Chapter Meeting — Saturday, July 11th at 4:20 PM at Mellow Mushroom in Snellville**

There's no pressure and no agenda beyond open conversation. Just local residents gathering together, sharing food, and discussing what sensible cannabis policy could look like for Gwinnett County.

Thank you for your time and for the work you do for our communities. I truly appreciate your service and hope we'll have the opportunity to connect soon.

Sincerely,

[Your Name]

[Your City], Georgia
